I. Membership for Stoney Creek Golf Course:

A: Entrance Fee; Monthly/Annual Dues and Charges.

1. Entrance Fee: A person desiring to become a member of Stoney Creek (a “Member”) shall pay to Stoney Creek an entrance fee (an “Entrance Fee”) in an amount determined by the management from time to time for the applicable category of Membership. The Entrance Fee is non-refundable.
2. Monthly/Annual Dues and Charges. Payment of the Entrance Fee alone does not entitle the Member to the use of any Stoney Creek Facility. In order to use the Facilities, the Member must pay the applicable monthly dues as established by Stoney Creek from time to time. In addition, management may, in its sole discretion, establish guest charges, late fees and other fees and charges. All members must provide a credit card number that will be charged for all account charges and monthly dues. Please see credit card authorization form for additional information.

B. Privileges.

Upon payment of the required Entrance Fee, monthly dues and other applicable charges, Members are entitled to use Stoney Creeks’ Golf Facilities and Clubhouse. Members do not pay green fees for use of the golf course, but are required to pay golf cart rental fees and fees for other services. All privileges of Membership are subject to the requirements and obligations set forth in this Membership Plan and the Membership Rules, as they may be modified by management from time to time. All Memberships constitute revocable licenses to use the applicable Facilities in accordance with the category of Membership selected.

C. Membership Categories.

This Membership Plan provides for three categories of Membership, as hereinafter described.

1. Golf Membership. The Golf Membership provides full access to all of the golf facilities and clubhouse restaurant. The Membership includes individuals and spouse/partner and their unmarried children age 23 and under who are living at home or attending school on a full time basis.
2. Young Golf Membership. The Young Golf Membership provides full access to all of the golf facilities and clubhouse restaurant. The Membership includes individuals and spouse/partner with at least one member between the ages of 23-35 and any unmarried children age 23 and under who are living at home or attending school on a full time basis. When a Young Golf Member reaches 36 years of age, membership shall be converted to a Golf Membership status.
3. Legacy Golf Membership. The Legacy Golf Membership provides full access to all of the golf facilities and clubhouse restaurant. The Membership includes individuals and spouse/partner with at least one member age 65 or older and any unmarried children age 23 and under who are living at home or attending school on a full time basis.

D. Guest Privileges.

Members are entitled to have guests use the Facilities in compliance with the Membership Rules relating to guests and upon payment of any applicable fees and charges. Limitations on guest use of the Facilities may be implemented and modified from time to time at the discretion of management.

E. Transferability; Resignation of Membership; Rules Regarding Separated, Divorced and Deceased Members; Suspension or Termination for Cause.

Memberships are not transferable, except in certain limited circumstances (see below under rules Regarding Deceased Members). A Member may not pledge, grant a security interest in, or otherwise use a membership as collateral for a loan or any other obligation.

Resignation of Membership. A Member may resign from Membership by giving thirty (30) days written notice of resignation to the Stoney Creek business office, whereupon the Membership shall terminate once all outstanding dues and charges are paid in full. In the event of resignation, the member is not entitled to a refund of any portion of the Entrance Fee, monthly/annual dues or other charges that are outstanding or accrued as of the date of resignation.

Special Rules Regarding Separated, Divorced and Deceased Members.

In the event of the separation (legal or otherwise) or divorce of a married Member the Membership shall continue to be held in the name of the Member in whose name it was originally issued and so long as the Member continues to pay the dues, the Immediate Family of the Member shall continue to have the privileges of Membership.

In the event of the death of a single Member holding a Golf or Legacy Golf Membership, the Member shall be deemed to have resigned and the Membership shall terminate effective on the date of death. No refund of any portion of the Entrance Fee, monthly/annual dues or other charges will be made.

In the event of the death of a married Member, the Membership shall, at the election of the surviving spouse, be transferred to said spouse. A transfer under these circumstances shall not be effective until the Stoney Creek receives written notice from the surviving spouse and, if the surviving spouse does not elect to transfer the membership within sixty days after the death of the Member, the Membership will be terminated and no refund of any portion of the Entrance Fee, monthly/annual dues or other charges will be made. In order for a transfer to the surviving spouse to become effective, all monthly/annual dues and other applicable charges due as of or accruing after the death of the former Member must be paid.

In no event will Stoney Creek become involved in disputes between separated or divorced spouses, or disputes involving the heirs, devisees or personal representatives of deceased Members. In the case of such a dispute, Stoney Creek may (but will not be required to) at any time, in its discretion, suspend all of the privileges associated with the Membership in question until the Stoney Creek receives evidence satisfactory to it of the resolution of the dispute. Monthly/annual dues and other applicable charges will continue to accrue during any suspension period and must be paid before the Membership will be reinstated.

Suspension or Termination for Cause. Any Membership may be suspended or terminated and the Member expelled from Stoney Creek for non-payment of dues, fees or other charges, for violation of the Membership Rules, or for other cause as determined by management. Management will provide written documentation to the Member as appropriate. In the event of a termination for cause or resignation during a suspension period, the member is not entitled to a refund of any portion of the Entrance Fee, monthly/annual dues or other charges.

II. Use of the Stoney Creek Facilities by Non-Members:

The Owner may designate employees and other persons to use the Facilities for such purposes and upon such terms and conditions as the Owner may determine in its discretion. Such designees need not be accompanied by an employee or agent of the Owner when using the Facilities.

III. Modification of Membership Plan and Membership Rules:

All Membership privileges are subject to this Membership Plan and the Membership Rules. The Owner reserves the right, from time to time and in its sole discretion, to waive or modify the terms of this Membership Plan and the Membership Rules. Without limiting the foregoing, the Owner shall have the right to modify playing privileges, establish different categories of Membership, and establish and modify rules governing access, starting times and other matters with respect to the Facilities.

IV. Termination of Membership Plan:

The Owner reserves the right, in its sole discretion, to terminate this Membership Plan at any time, whereupon all Memberships shall terminate. In the event of a termination of this Membership Plan by the Owner, a prorated refund will be issued to a Member who joined the club within the past 12 month period. The Member will be entitled to a prorated refund only of the applicable Entrance Fee paid to Stoney Creek.

V. Sale or Transfer of Stoney Creek Golf Course and Facilities:

The Owner may, at any time, sell or transfer all or any portion of the Facilities to any person or entity. Upon such sale or transfer, the transferee shall succeed to the rights and obligations of the Owner under this Membership Plan with respect to the transferred Facilities.

VI. Summary of Membership Status:

Membership in Stoney Creek constitutes a revocable license to use the facilities, but does not give the member a vested or prescriptive right or easement to use the facilities. Membership is not an investment in the facilities and does not provide an equity or ownership interest in the LLC or the on-site facilities. All membership privileges are subject to this membership plan and the membership rules, which may be modified from time to time or terminated by the Owner at its sole discretion

I hereby agree to and fully understand the Membership Plan for Stoney Creek Golf Course, LLC.
